Suggested Mailing Practices

Preparing Messenger Envelopes
Use U.S. Government Messenger Envelopes (SF 65-B) to transmit mail within USDA agencies. Mail to NFC, New Orleans, LA can also be sent in messenger envelopes.

When using U.S. Government Messenger Envelopes:

(1) Completely strike out the previous address. In the next spaces, clearly write the complete address (Name/Title, Agency, Room number and building) of the intended addressee.

(2) Limit the address to one space.

(3) Do not overstuff the messenger envelope, and

(4) Make sure the messenger envelope is securely tied.

National Finance Center Express Mail Pouch/Next Day Delivery
The Central Mail Unit (CMU) provides daily express mail service to NFC. This service is available to all USDA employees in the Washington area at no extra cost! Use of this service saves at least .21 cents for each letter addressed to NFC and it will get there "NEXT DAY"!

Here is all you need to do to use this service:

—Use NFC preprinted green bordered envelopes when available; however, any envelope is acceptable, but must be addressed to the appropriate NFC office and clearly marked "NFC POUCH" in the upper right hand corner of the envelope.

—Deposit in NFC green mail boxes located on the first floor in wings 1, 4 & 5 in the South Building and the first floor Independence Ave. in the Administration Building. The boxes in wings 4 & 5 in the South Building are opened at 9:30 AM and closed at 3:30 PM. The boxes in wing 1 South Building and the first floor in the Administration Building are opened at 11:15 AM and closed at 3:30 PM.

Change of Address
Departmental agency users are responsible for promptly notifying their correspondents when there are changes in address, agency organizations or officials. This will assist in preventing unnecessary delays in the delivery of mail. Incoming mail bearing an incomplete or inaccurate address will be delayed and may also be returned to the sender. Change of address forms may be obtained from your mailroom.

Do not use Government envelopes or services for personal mail

For further information and assistance in mailing, please contact your mailroom.

The
Professional
Problem
Solvers
Ltd.

Input for the preparation of this section was provided by the Professional Problem Solvers Ltd. Quality Circle, located in the Mail and Reproduction Management Division, Office of Operations.

This Quality Circle is comprised of eight employees from the Mail Services Section which meet regularly to identify and recommend solutions to problems relating to the provision of centralized mail services to USDA agencies.

Suggested Mailing Practices

The Department of Agriculture is the fifth largest mail user within the Federal Government. Last year's postage costs for USDA was $51 million.

It is important that USDA employees follow proven mailing practices to ensure all mail sent to and from the Department reach its destination without delay. Among these important practices are:

—Reduce use of flats (envelopes larger than 6 ⅛" x 11 ½"). Save postage by folding up to 5 sheets of paper in letter size envelopes.

—Reduce costs by printing on both sides of paper.

—Save by consolidating items for one address into a single envelope.

—Endorse all flats and packages with class of mail.

—Update mailing lists at least annually.

—Use postcards whenever possible.

—Single space the address.

—Use ZIP +4, when known. (Always use 5 digit ZIP Code.)

—For international mail, place the country name on the last line of the address in all CAPS.

—Include a complete return address on all outgoing correspondence.

—Notify your correspondents and the Central Mail Unit of changes in USDA addresses and personnel.

Have a mailing question? Call the Central Mail Unit on 447-7088. Ask the Office of Operations, Mail and Reproduction Management Division (telephone 447-8393) to help in training or workshops.

Preparing Outside Correspondence
Use the right size envelopes and endorse all large, bulky pieces with the class of mail service desired. Generally five pieces of paper will fit into a letter-size envelope (4 ¼" x 9 ½").

To expedite delivery make sure that your outgoing mail contains the following:

(1) The complete return address of the originator (Name, Agency and Building address). This information will eliminate time consuming processing of returned USDA-originated mail.

(2) After the ZIP code, include agency's unique 4-digit code.

(3) The full address of the addressee, including the ZIP Code. (No more than 5 lines - brief but concise, assures expedited delivery.)

For example:

—Name of Individual or Organization
—Orgainzational Element (if necessary)
—Street Address or P.O. Box Number
—City, State and ZIP Code

Local Calls

- Calls to USDA and Other Government Agencies

  Many USDA offices and local government agencies may be reached by dialing the 7-digit number. However, if the call cannot be placed:

  — Dial "9" + the 7-digit number to reach a number in the same local jurisdiction (Washington, DC, to Washington, DC; Virginia to Virginia, or Maryland to Maryland), or

  — Dial "9" + the area code + the 7-digit number to reach a number in a different local jurisdiction.

  — The area codes for local jurisdictions in the Metropolitan Washington, DC, area are:

  Washington, DC — Area Code 202
  Maryland — Area Code 301
  Virginia — Area Code 703

- Calls to Non-Government Telephones

Dial "9" plus the 7-digit number if calling within the same local jurisdiction.

Dial "9" + the area code + the 7-digit number if calling between local jurisdictions.

See above for area codes for local jurisdictions.

Long Distance Calls

The Federal Telecommunications System (FTS2000) is the government long distance network of leased long distance circuits through which you should make all official long distance calls in the United States. FTS2000 charges are based on the length of calls. To help reduce telephone costs, users should be "time conscious" when making calls.

- Calls to Government FTS Telephones.

  Dial "8" and the 7 digit number being called.

- Calls to Non-Government Telephones.

  Dial "8", the area code, and the 7-digit number being called. If the commercial number is not known, dial "8" plus the area code you wish to reach and 555-1212 for free information.

- Calls to Alaska, Hawaii, Puerto Rico and Virgin Islands

  FTS2000 service is available to and from Alaska, Hawaii, Puerto Rico, and the Virgin Islands in the same manner as all other FTS2000 calls.

International Calls

International calling is available from selected telephones for employees who have obtained approval from an authorized agency official.
